At the April 1st council meeting, it was "reported" that "14 addresses are potentially subject to Bert Harris litigation".

I would like to see a copy of those "14 addresses" and "their dates of purchase information" as provided to the "Unbiased Attorney Panel" for review.

Thank you for your time and anticipated timely cooperation, as I am a "stake holder"/resident/investor in the proposed DUV area and would like to know what "information" as provided by Staff is being used against me for "decision making".
