Good afternoon Councilman Singer.

In response to your request dated May 21st, the Village can only respond to public records request for records that currently exist; however, we are going to process your request for all Councilmember emails (inbox and outbox) for the month of April 2019. To comply with the public records law, please make your requests for emails on a monthly basis and we will provide them on a thumb-drive or in a mutual acceptable form. All of your requests may be written or verbal but are not considered a request if those future records don't exist.

Due to changes on ADA compliance regulations, at such time we may not post such information on the Village website; however, the Village is trying to do so in order to comply with all ADA compliance requirements. This is an action item that you may have further discussion with any of the Charter Officials so that we can explain in depth.

I am acknowledging your request **for all Councilmember emails (inbox and outbox) for the month of April 2019 currently.** As soon as the information is provided from Administration, the Village Clerk's office will provide it to you immediately.

Respectfully,

Missy Arocha

Subject: Public information request

Missy,

As requested previously I would like a thumb drive on a month to month basis with all Councilmembers emails both to and from individual Councilmembers. I believe April 2019 is due. As such, as this is a public information request, this information should be placed on the Village website as all other information requests. Please let me know when it will be posted to the Village website.
