Melissa:

In response to the Councilman's email, please cross reference the log of public records requests and confirm the number of requests that are pending for the Councilman. Also, please log, process, and acknowledge his request for emails for the months of June and July. As soon as you have the chance to verify the information, please reply back to this message to him and I. Thanks.

Subject: Public info request

Missy,

Just checking up on my public info requests. Still waiting on a couple of requests including I believe June and July councils email. Going forward I would also like a list of department heads or Village employees that any Council member meets with for official Village business. I would like this information given to me on a weekly basis and be given access to the same department head or employee. Please let me know how to arrange access with Village manager in attendance.

Thank you

David Singer
