Subject: Public Records Request

Good Morning ladies,

I received a call this morning from a Cutler Bay resident, Robert Rosa. He would like information regarding the restoration project completed on 184 Street, where the wall was pressure cleaned. Specifically he would like to know how much the project cost and if possible he would like a copy or sample of the letter issued to the residents before work was done. Since he is asking for copies of specific documents I imagine this should go through the Public Record Request process.
