

Support Tyler's Eagle Scout Project Installation of American Flag Drop Off Boxes

Tyler Benjamin is resident of Palmetto Bay and a current sophomore at Coral Reef Senior High School's Engineering Academy. He is a Boy Scout with Troop #314 and will be participating at our Camping in the Park & Movie Night event with a booth providing information on his Eagle Scout Project.

Tyler is currently working on developing a proposal that will be presented to Village Council involving the installation of American flag drop off boxes in strategic locations throughout the Village, so that patrons can have a place to take old, worn American flags that are ready for retirement.

Please take a moment to visit Tyler's booth and learn about his project that educates the public on the importance of retiring American flags in a dignified manner. Tyler will also be selling **American Flags for \$20** as part of his fundraiser to raise funds to purchase the drop off boxes.

Flag Retirement Ceremony

Site: Campfire at 10:40pm

***** Don't forget to bring your old, torn American Flags and drop them off at Tyler's booth***
