**RESOLUTION NO. 2010-75**

ZONING APPLICATION VPB-10-006

A RESOLUTION OF THE MAYOR AND VILLAGE COUNCIL OF THE VILLAGE OF PALMETTO BAY, FLORIDA, RELATING TO ZONING; APPROVING WITH CONDITIONS THE APPLICATION OF JEFFREY S. PRINCE, LOCATED AT 17921 SW 89<sup>TH</sup> AVENUE, PALMETTO BAY, FLORIDA APPROVING WITH CONDITIONS THE SHED AMNESTY VARIANCE REQUEST FOR SHED SETBACK REQUIREMENTS AND SHED SIZE, TO SETBACK 8 INCHES FROM THE NORTH INTERIOR SIDE PROPERTY LINE WHERE 7.5 FEET IS REQUIRED ON A PARCEL ZONED E-M, AT A SIZE OF 80 SQUARE FEET, AS PROVIDED FOR UNDER SECTION 33-311, OF THE COUNTY CODE; PROVIDING AN EFFECTIVE DATE.

WHEREAS, on February 2, 2009, the Village Council pursuant to Ordinance Number 09-03 (“Shed Amnesty Ordinance”) provided for an 18 month shed amnesty program that would allow existing nonconforming sheds to be permitted provided certain conditions are met; and

WHEREAS, the Village created a Shed Administrative Variance process for sheds located more than 3 feet from the property line and under 150 square feet, all other sheds would have to adhere to the provisions of Section 33-311(4)(b) or (c) of the Miami-Dade County Code, and apply for a quasi-judicial hearing for a setback variance; and,

WHEREAS, Planning and Zoning Department issued a recommendation of approval of the shed; and,

WHEREAS, the Village Council of the Village of Palmetto Bay conducted a quasi-judicial hearing on the application at the Deering Estate on September 20, 2010; and,

WHEREAS, the Mayor and Village Council find, based on substantial competent evidence in the record, that the application pursuant to Section 33-311, of the Miami-Dade County Code, as adopted by the Village relating to the above requests, find that the application, as amended by Council Action is consistent with the Village’s Comprehensive Plan and the applicable land development regulations; and,

WHEREAS, based on the foregoing finding, the Mayor and Village Council determined to grant the application, as amended (modified/conditioned) by Council Action as provided in this resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND VILLAGE COUNCIL OF THE VILLAGE OF PALMETTO BAY, FLORIDA, AS FOLLOWS:

Section 1. A hearing on the present application was held on September 20, 2010 in accordance with the Village’s “Quasi-judicial hearing procedures” Ordinance, found at Section 2-107, of the Village’s Code of Ordinances. Pursuant to the hearing, the Mayor and Village Council make the following findings of fact, and conclusions of law.

1                    Section 2.            Findings of fact.

2            The subject property is located at 17921 SW 89<sup>th</sup> Avenue, Palmetto Bay, Florida.  
3

4            The Council held a public hearing and no one spoke on the application. The Council incorporates by  
5            reference the minutes, audio tape, and transcript (if transcribed) into its findings of fact.  
6

7            The applicants submitted an application requesting a setback variance to allow an existing shed (8' x 10' = 80  
8            square feet) to have a setback of 8 inches from the north interior side property line where 7.5 feet is required  
9            on a parcel zoned E-M.  
10

11           The Mayor and Village Council of the Village of Palmetto Bay recognized that many sheds have been built on  
12           residential properties without a building permit, particularly after Hurricane Andrew or other hurricane  
13           events. Due to the emergency and security risk situation after hurricanes often permits were not sought by the  
14           homeowners. Often, the Village cannot determine whether the sheds were built due to the aftermath of  
15           Hurricane Andrew or more recently. In an effort to facilitate legalization and permitting of these structures  
16           to ensure that these structures comply with the Florida Building Code, and to obtain compliance within the  
17           community, the Village Council desires to create an 18 month amnesty program to legalize shed structures  
18           that meet certain requirements of an administrative zoning review and approval process. As such, the Mayor  
19           and Village Council adopted an amendment to Chapter 30 of the Village's Code of Ordinances entitled "Shed  
20           Amnesty Program" under Ordinance 09-03.  
21

22           The amnesty period was for an 18-month period starting in February 2009. Failure to apply for amnesty  
23           within the 18-month period shall not cure the violation and each property owner may be liable for civil  
24           citations for violation of this Code. This amnesty for certain sheds shall only apply to residential properties  
25           within the Village of Palmetto Bay. It shall not apply to commercial properties.

26           In order to issue a permit so that the property owner or representative can call for required inspections, the  
27           applicant shall be required to apply for a building permit with the Building Department and provide the  
28           Department a detailed set of plans. The application and plans will be processed as per the applicable building  
29           code requirements at the time of the shed's construction, provided, there is clearly established evidence of  
30           when the shed was constructed. If there is no evidence of when the shed was constructed, the shed shall  
31           comply with the current version of the Florida Building Code. Double permit fees shall be waived; only the  
32           "original" amnesty permit fee to obtain a building permit shall apply.  
33

34           If the ancillary shed is within the side or rear setbacks, is less than 150 square feet.; and provided that the  
35           location of the shed is more than 3 feet from any point on the structure to the existing side and rear property  
36           lines, or a distance required by the Florida Building Code, then the ancillary shed may remain in its current  
37           location, upon administrative zoning review and building permit approval as provided above. Any shed of  
38           greater size than 150 square feet and/or located within 3 feet of an adjacent property line, then, that shed  
39           must either apply for a zoning non-use non-administrative variance hearing, which would need to be granted  
40           by the Village Council pursuant to the criteria of Section 33-311(4)(b) or (4)(c) of the Code; or have the shed  
41           removed.  
42

43                    Section 3.            Conclusions of law.

44            1.            The Application is in compliance with the adopted 2005 Village of Palmetto Bay  
45            Comprehensive Plan, and Future Land Use Map.

1           2.       The standard of review for a variance is found at Section 33-311(4)(b) and (c) of the Code,  
2 of the Miami-Dade County Code. That the Applicant's request for a setback variance is in compliance with  
3 the applicable standards, as conditioned below.  
4

5           Section 4.       Order.  
6

7           A.       The Council, pursuant to Section 33-311(4)(b), of the Miami-Dade County Code as applied  
8 by the Village, approves with conditions the Applicant's requests for a setback variance to keep a shed located  
9 8 inches from the north interior side property line where 7.5 feet is required on a parcel zoned E-M. The  
10 existing shed is in keeping with the basic intent and purpose of the zoning and land use regulations. Approval  
11 of this application is in character with the existing use of the property and is consistent with the Village's  
12 Comprehensive Plan. The Village Council approves the survey entitled Jeffrey S Prince, 17921 SW 89<sup>th</sup>  
13 Avenue, Palmetto Bay, Fl 33157, as prepared by P(3)SM, LLC, consisting of one (1) sheet, dated March 30,  
14 2010. Application denied under Section 33-311(4)(c) of the Code as there is no hardship.  
15

16           B.       The Village Council conditions/modifies the approval as follows:  
17

- 18           1.       The applicant is to comply with the requirements of all other applicable  
19 departments/agencies as part of the Village of Palmetto Bay building permit submittal  
20 process.
- 21           2.       The applicant is to comply with the landscaping and screening requirements and all the  
22 requirements imposed by the Village of Palmetto Bay.
- 23           3.       The applicant is to comply with all the requirements of Ordinance Number 09-03 (Shed  
24 Amnesty Ordinance).
- 25           4.       Applicants must complete permitting within 60 days of this Zoning approval.  
26

27           This is a final order.  
28

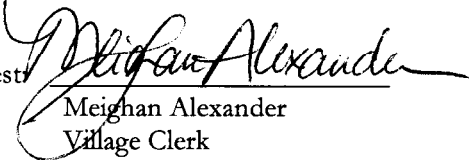

29           Section 5.       Record.

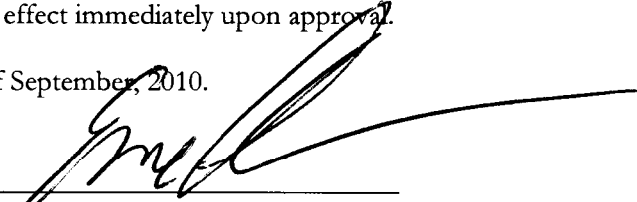

30           The record shall consist of the notice of hearing, the application, documents submitted by the  
31 applicant and the applicant's representatives to the Village of Palmetto Bay Planning and Zoning Department  
32 in connection with the applications, the Village's recommendation and attached cover sheet and documents,  
33 the testimony of sworn witnesses and documents presented at the quasi-judicial hearing, and the tape and  
34 minutes of the hearing. The record shall be maintained by the Village Clerk.  
35

36           Section 6.       This resolution shall take effect immediately upon approval.

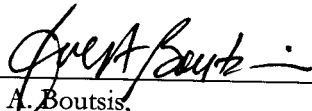

37           PASSED and ADOPTED this [20] day of September, 2010.
