**RESOLUTION NO. 2010-110**

ZONING APPLICATION VPB-10-036

A RESOLUTION OF THE MAYOR AND VILLAGE COUNCIL OF THE VILLAGE OF PALMETTO BAY, FLORIDA, RELATING TO ZONING; APPROVING WITH CONDITIONS THE APPLICATION OF SEYED HAJASSADOLLAH & AMARILYS MARTIN LOCATED AT 8196 SW 180<sup>th</sup> STREET; PALMETTO BAY, FLORIDA; APPROVING WITH CONDITIONS THE SHED AMNESTY VARIANCE REQUEST FOR SHED SETBACK REQUIREMENTS AND SHED SIZE, TO SETBACK 16 FEET FROM THE WEST SIDE STREET PROPERTY LINE WHERE 30 FEET IS REQUIRED ON A PARCEL ZONED E-M, AT A SIZE OF 160 SQUARE FEET AS PROVIDED FOR UNDER SECTION 33-311, OF THE COUNTY CODE; PROVIDING AN EFFECTIVE DATE.

WHEREAS, on February 2, 2009, the Village Council pursuant to Ordinance Number 09-03 (“Shed Amnesty Ordinance”) provided for an 18 month shed amnesty program that would allow existing nonconforming sheds to be permitted provided certain conditions are met; and

WHEREAS, the Village created a Shed Administrative Variance process for sheds located more than 3 feet from the property line and under 150 square feet, all other sheds would have to adhere to the provisions of Section 33-311(4)(b) or (c) of the Miami-Dade County Code, and apply for a quasi-judicial hearing for a setback variance; and,

WHEREAS, Planning and Zoning Department issued a recommendation of approval of the shed; and,

WHEREAS, the Village Council of the Village of Palmetto Bay conducted a quasi-judicial hearing on the application at the Deering Estate on October 18, 2010; and,

WHEREAS, the Mayor and Village Council find, based on substantial competent evidence in the record, that the application pursuant to Section 33-311, of the Miami-Dade County Code, as adopted by the Village relating to the above requests, find that the application, as amended by Council Action is consistent with the Village’s Comprehensive Plan and the applicable land development regulations; and,

WHEREAS, based on the foregoing finding, the Mayor and Village Council determined to grant the application, as amended (modified/conditioned) by Council Action as provided in this resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND VILLAGE COUNCIL OF THE VILLAGE OF PALMETTO BAY, FLORIDA, AS FOLLOWS:

Section 1. A hearing on the present application was held on October 18, 2010 in accordance with the Village’s “Quasi-judicial hearing procedures” Ordinance, found at Section 2-107, of the Village’s Code of Ordinances. Pursuant to the hearing, the Mayor and Village Council make the following findings of fact, and conclusions of law.

1            Section 2.            Findings of fact.

2        The subject property is located at 8196 SW 180<sup>th</sup> Street, Palmetto Bay, Florida.  
3

4        The Council held a public hearing and no one spoke on the application. The Council incorporates by  
5        reference the minutes, audio tape, and transcript (if transcribed) into its findings of fact.  
6

7        The applicants submitted a non-use variance application requesting relief from setback requirements in order  
8        to allow an existing shed (10' x 16'= 160 sq. ft.) to have a setback of 16 feet from the west side street property  
9        line where 30 feet is required on a parcel zoned E-M.  
10

11       The Mayor and Village Council of the Village of Palmetto Bay recognized that many sheds have been built on  
12       residential properties without a building permit, particularly after Hurricane Andrew or other hurricane  
13       events. Due to the emergency and security risk situation after hurricanes often permits were not sought by the  
14       homeowners. Often, the Village cannot determine whether the sheds were built due to the aftermath of  
15       Hurricane Andrew or more recently. In an effort to facilitate legalization and permitting of these structures  
16       to ensure that these structures comply with the Florida Building Code, and to obtain compliance within the  
17       community, the Village Council desires to create an 18 month amnesty program to legalize shed structures  
18       that meet certain requirements of an administrative zoning review and approval process. As such, the Mayor  
19       and Village Council adopted an amendment to Chapter 30 of the Village's Code of Ordinances entitled "Shed  
20       Amnesty Program" under Ordinance 09-03.  
21

22       The amnesty period was for an 18-month period starting in February 2009. Failure to apply for amnesty  
23       within the 18-month period shall not cure the violation and each property owner may be liable for civil  
24       citations for violation of this Code. This amnesty for certain sheds shall only apply to residential properties  
25       within the Village of Palmetto Bay. It shall not apply to commercial properties.

26       In order to issue a permit so that the property owner or representative can call for required inspections, the  
27       applicant shall be required to apply for a building permit with the Building Department and provide the  
28       Department a detailed set of plans. The application and plans will be processed as per the applicable building  
29       code requirements at the time of the shed's construction, provided, there is clearly established evidence of  
30       when the shed was constructed. If there is no evidence of when the shed was constructed, the shed shall  
31       comply with the current version of the Florida Building Code. Double permit fees shall be waived; only the  
32       "original" amnesty permit fee to obtain a building permit shall apply.

33  
34       If the ancillary shed is within the side or rear setbacks, is less than 150 square feet.; and provided that the  
35       location of the shed is more than 3 feet from any point on the structure to the existing side and rear property  
36       lines, or a distance required by the Florida Building Code, then the ancillary shed may remain in its current  
37       location, upon administrative zoning review and building permit approval as provided above. Any shed of  
38       greater size than 150 square feet and/or located within 3 feet of an adjacent property line, then, that shed  
39       must either apply for a zoning non-use non-administrative variance hearing, which would need to be granted  
40       by the Village Council pursuant to the criteria of Section 33-311(4)(b) or (c) of the Code; or have the shed  
41       removed.  
42  
43  
44  
45  
46

1           Section 3.       Conclusions of law.

2           1.       The Application is in compliance with the adopted 2005 Village of Palmetto Bay  
3 Comprehensive Plan, and Future Land Use Map.

4  
5           2.       The standard of review for a variance is found at Section 33-311(4)(b) and (c), of the Miami-  
6 Dade County Code. That the Applicant's request for a setback variance is in compliance with the applicable  
7 standards, as conditioned below.  
8

9           Section 4.       Order.

10  
11 A.       The Council, pursuant to Section 33-311(4)(b), of the Miami-Dade County Code as applied by the  
12 Village, approves with conditions the Applicant's request for a setback variance to keep a shed located 16 feet  
13 from the west side street property line where 30 feet is required on a parcel zoned E-M. As the shed size  
14 exceeds 150 square feet for the shed amnesty administrative variance process, the applicants have adhered to  
15 the Village's Shed Amnesty Variance process. The existing shed is in keeping with the basic intent and  
16 purpose of the zoning and land use regulations. Approval of this application is in character with the existing  
17 use of the property and is consistent with the Village's Comprehensive Plan. The Village Council approves  
18 the survey prepared for Seyed and Amarilys Hajassadollah, Lawyers Title Insurance Corporation, Nicole  
19 Taplin, P.A.; consisting of one (1) sheet, dated stamped received August 2, 2010. The Applicants accepted  
20 the conditions imposed by Council under subsection (4)(B) below.  
21

22           B.       The Village Council conditions/modifies the approval as follows:

- 23  
24           1.       The applicants are to comply with the requirements of all other applicable  
25 departments/agencies as part of the Village of Palmetto Bay building permit submittal  
26 process.  
27           2.       The applicants are to comply with the landscaping and screening requirements and all the  
28 requirements imposed by the Village of Palmetto Bay.  
29           3.       The applicants are to comply with all the requirements of Ordinance Number 09-03 (Shed  
30 Amnesty Ordinance).  
31           4.       Applicants must complete permitting within 60 days of this Zoning approval.  
32

33           This is a final order.  
34

35           Section 5.       Record.

36           The record shall consist of the notice of hearing, the application, documents submitted by the  
37 applicant and the applicant's representatives to the Village of Palmetto Bay Planning and Zoning Department  
38 in connection with the applications, the Village's recommendation and attached cover sheet and documents,  
39 the testimony of sworn witnesses and documents presented at the quasi-judicial hearing, and the tape and  
40 minutes of the hearing. The record shall be maintained by the Village Clerk.  
41

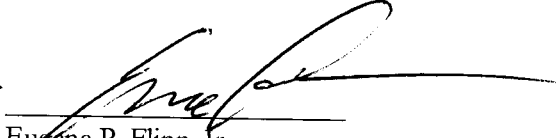

42           Section 6.       This resolution shall take effect immediately upon approval.
