Mayor's Accord

A PLEDGE OF THE MAYORS OF MIAMI DADE COUNTY ENDORSING THE RESILIENT305 STRATEGY, AGREEING TO CONSIDER COLLABORATING TO IMPLEMENT THE RESILIENT305 STRATEGY IN WHOLE OR IN PART AS APPROPRIATE FOR EACH MUNICIPALITY, AND URGING OUR RESIDENTS, ANCHOR INSTITUTIONS, PARTNERS, COMMUNITY ORGANIZATIONS AND THE PHILANTHROPIC SECTOR TO COLLABORATE ON IMPLEMENTATION OF THE RESILIENT305 STRATEGY.

WHEREAS Greater Miami & the Beaches (GM&B) was created out of a partnership in 2015 among Miami-Dade County, City of Miami, and City of Miami Beach to collectively apply for and was successfully awarded Rockefeller's internationally-acclaimed 100 Resilient Cities Program. GM&B's integrated regional approach is unique for the overall 100 Resilient Cities Program, where the vast majority of participants are individual cities.

WHEREAS Resilient305 is a regional strategy for Greater Miami and the Beaches developed collaboratively by Miami-Dade County, the City of Miami and the City of Miami Beach, with the support of the Rockefeller Foundation's 100 Resilient Cities and The Miami Foundation. The strategy will help us focus on the environmental, social and economic shocks and stresses that most affect our ability to live, work and prosper as a region. Since 2016, the Resilient305 team has met with municipalities, their residents, local leaders and subject-matter experts to better understand shocks and stresses facing the entire region and build the outline of the Resilient305 Resilience Strategy.

WHEREAS, Building resilience is the capacity of individuals, communities, institutions, businesses, and systems within a city to survive, adapt, and grow no matter what kinds of chronic stresses and acute shocks they experience.

WHEREAS, true resilience requires the widest possible cooperation by municipalities, nonprofits, and institutions throughout Miami-Dade County, and participation in effective and appropriate regional response, with a view to setting the world standard for resilience in our community;

THEREFORE, we - the undersigned - pledge to collaborate in supporting and collaborating to implement Resilient305. Mayor's Accord signatories will share progress with GM&B and the Miami Foundation and agree to include a broad spectrum of partners and stakeholders in their communities.

Village of Palmetto Bay Mayor's Pledge

In support of Resilient305, the Village of Palmetto Bay specifically looks forward to collaborating on implementation the following action items, with support from the Village Commission, as appropriate to build both local and regional resilience.

1. Send Your Boss to Bootcamp!: resilience training for newly elected officials in the 305
 - Action: Send elected officials to trainings
2. Provide Resilience Training for All Employees: internal staff resilience training - what is resilience, project specific
 - Action: Send staff to trainings
3. Enable Community Resilience Through CERT: government training for neighborhood emergency volunteers
 - Action: Augment current hurricane preparedness program
4. Support Resilience Hubs: government support of grassroots initiative to engage/educate residents throughout the year
 - Action: Provide space, staff and other support
5. Design a Better Bus Network: ongoing effort to refigure bus routes based on effectiveness of route
 - Action: support outreach, workshops + coordinate with Trolley system

THEREFORE, I - Mayor Karyn Cunningham on behalf of the Village of Palmetto Bay - pledge to collaborate in implementing Resilient305 alongside the Palmetto Bay Commission.
