Public Record Request(s): I am requesting copies of each and every Community Connectivity Committee Application submitted for consideration to the Mayor of the Village of Palmetto Bay. This request is being made pursuant to Fla. Stat. 119.07. Section 119.07 mandates that this request be responded to within a reasonable time. The Florida Supreme Court has interpreted "reasonable time" to be that which is necessary for the custodian to retrieve the requested records, review and excise exempt material. See, Tribune Co. v. Cannella, 458 So.2d 1075 (Fla. S. Ct. 1984). Given this request is narrowly tailored and the records are readably available as well as small in number, I request the records be provided no later than 5:00 PM on February 12, 2021. Failure to comply with Fla. Stat. 119.07, may subject the Public Records Custodian to penalties and the Village to attorney fees and court costs. If the Village is unwilling to respond as requested, please refer the matter to

the Village Attorney.

Thank You

Please note that there may be a fee associated with your request depending on the extent of the information being requested. If so, the Office of the Village Clerk will contact you about any associated fees. If you have any further questions, please email Village Clerk Arocha at marocha@palmettobay-fl.gov
