

## VILLAGE OF PALMETTO BAY NOTICE OF VIRTUAL PUBLIC WORKSHOP ON PALMETTO BAY'S MULTI-USE TRAIL FEASIBILITY STUDY

**NOTICE IS HEREBY GIVEN** that Marlin Engineering shall host a *virtual* Public Workshop on **Tuesday, April 6, 2021 at 7:00 PM.**

During the *virtual* Public Workshop, Christina Fermin, Project Manager for Marlin Engineering shall make a presentation of Palmetto Bay's Multi-Use Trail Feasibility Study and there will be time for questions and answers. The purpose of the feasibility study is to improve mobility, safety, and accessibility to the SMART Plan South Dade Corridor Transitway and the South Dade Trail to/from the Village of Palmetto Bay. This study will assess existing conditions for bicycle and pedestrian connectivity along SW 144<sup>th</sup> Street, SW 152<sup>nd</sup> Street, SW 168<sup>th</sup> Street, and SW 184<sup>th</sup> Street between the South Dade Transitway and Old Cutler Road. The study will also identify which two (2) corridors are most ideal for multi-modal improvements.

This meeting will be conducted using a teleconferencing platform and broadcast live. **Members of the public may watch the virtual meeting via the Village's official Facebook page and/or streamed on: [www.palmettobay-fl.gov](http://www.palmettobay-fl.gov).** *Councilmembers may observe, but not participate. No official action shall be taken by the Village Council during this Community Workshop.*

**For persons wishing to participate virtually and provide public comment, please refer to the options described below:**

**Public comments forum (Option 1):** Prior to the meeting, the public can submit a web form available at this address: <https://www.palmettobay-fl.gov/FormCenter/Public-Comments-Form-10/Public-Comments-Form-52>. Form submissions received prior to the meeting will be read before the item is heard. Form submissions received after 7:00 p.m. will remain part of the public record.

**Public comments forum (Option 2):** Public attendees wishing to provide real-time, audible public comments during the meeting may do so using GoToWebinar's desktop, laptop, tablet, or smartphone app. Once registered, attendees will receive GTW session information and call-in telephone numbers for those wishing to use a telephone. Telephone attendees may not participate in public comment as the system has no way to mute or unmute. Attendees wishing to speak during public comment time must use the GoToWebinar application on their desktop, laptop, or smart device. Attendees may not use a webcam whatsoever. In lieu if no availability to participate through the webinar, please submit your public comment using the web form as described above.

**Please register to attend the session as follows:**

**<https://register.gotowebinar.com/register/923272422011928592>**

**After registering, you will receive a confirmation email containing information about joining the webinar.**

Any meeting may be opened and/or continued, under such circumstances, additional legal notice would not be provided. Any person may contact Village Hall at (305) 259-1234 for additional information and/or may express their views in writing addressed to the Village Council via email: [council@palmettobay-fl.gov](mailto:council@palmettobay-fl.gov). If a person decides to appeal any decision made by the Village Council, with respect to any matter considered at a meeting or hearing, that person will need a record of the proceedings and, for such purpose, may need to ensure that a verbatim record of the proceedings is made; such record includes the testimony and evidence upon which the appeal is to be based (F.S. 286.0105). In accordance with the Americans with Disabilities Act of 1990, persons needing special accommodation (or hearing impaired) to participate in this proceeding or to review any documents relative thereto should contact the Village for assistance at (305) 259-1234 no later than twelve (12) hours prior to the proceedings.

VILLAGE OF PALMETTO BAY

# Multi-Use Trail & SMART Plan Connectivity Feasibility Study

## PURPOSE

Improve mobility, safety and accessibility in the Village of Palmetto Bay from Old Cutler Road to the South Dade Transitway (aka Busway) along key corridors.

## SCOPE

Assess existing conditions for bicycle and pedestrian connectivity along SW 144 Street, SW 152 Street, SW 168 Street and SW 184 Street between the South Dade Transitway and Old Cutler Road. The study will identify which two (2) corridors are best suited for multi-modal improvements.

Once existing conditions have been analyzed, a conceptual design of bicycle and pedestrian improvements will be presented for feedback and input. Multi-use pathways, sidewalks and protected or buffered bicycle lanes will be considered for each concept.

Two alternatives for each of the selected roadways will be evaluated and analyzed for constructability. Once the preferred alternatives have been selected, 15% design plans will be developed for two (2) of the corridors.

## BENEFITS

In addition to improving bicycle and pedestrian safety, connectivity and accessibility, multi-modal improvements improve livability, encourage healthier lifestyles, and improve air and water quality for the residents of Palmetto Bay.

FOLLOW US ON:

## PROJECT TIMELINE

This study began in January 2021 and is anticipated to be completed by November 2021. Public involvement is essential. We invite residents, businesses, and other stakeholders to join us by providing input and inspiration to create a more people-friendly community. Project updates will be provided on social media. Public participation dates:

**TUESDAY, APRIL 6, 2021 | 7PM**

### VIRTUAL PUBLIC WORKSHOP

Meeting hosted on GoToWebinar, registration required. Meeting information and registration available on the Village website and social media.

**THURSDAY, APRIL 15, 2021 & SATURDAY, APRIL 17, 2021 | 8 AM - 10 AM**

### WALKING AUDIT

All ages and abilities welcomed  
RSVP Required
