Dear Palmetto Bay Resident or Business,

On Monday, July 4, 2022, the Village of Palmetto Bay will be hosting a special event in commemoration of our nation's Independence Day. The Village will ring in Independence Day in an even BIGGER way, as we celebrate our 20-year anniversary. This year's festivities will include game trucks, a toddler zone, an array of delicious food and drink vendors, a beer garden, live music, and of course, no 4th of July festivity would be complete without spectacular fireworks display to complete the evening!

For public safety reasons, the Village will be closing several affected roads and is making every reasonable effort to minimize negative impacts to our residents and businesses. Due to event set-up and other logistics, vehicle access and parking around Palmetto Bay Village Hall and its immediate surrounding area will be very limited beginning at 8am-midnight on Monday, July 4, 2022. Please see road closure information listed below.
