Re: Traffic blockage on Old Cutler Road and
SW 136 street

PURPOSE OF THE PROPOSED ACTION:

The purpose of this memo is to require Miami Dade County to remove the temporary blockade on Old Cutler Road westbound onto SW 136th Street.

MAJOR POINTS/REASONS FOR THE PROPOSED ACTION:

A pilot program was installed by the County at this intersection and they have since then indicated that this will become permanent, however that hasn't happened, and this intersection looks unsightly. We request the County to review the closure of this intersection and if they are to continue with the decision to permanently close it, we request they do so and bring this intersection up to our community standards. If the County is waiting for the redesign of SW 136th Street to improve this intersection we humbly request that a left turn lane be part of the solution to help west bound traffic and provide a better travel access for fire safety equipment.

PRELIMINARY ESTIMATE OF THE COST OF IMPLEMENTATION:

Costs for the approval of this item are to be borne by Miami Dade County.

SOURCE OF FUNDS TO PAY SUCH COSTS:

Source of funds to pay such costs to be determined.
